GLOBAL EQUITY ANGELS FOOD EXPORTS

GEA markets food commodities in
China, Asia, India, Middle East,
Europe, USA, Canada, Africa, South
America . . .

and is represented in Australia,
Hong Kong, Dubai & UK!

Global Equity Angels is an Australian company that brings commodity buyers and sellers together from around the world. Global Equity Angels is a global business development and marketing consultancy for Global Trade and markets and supplies products and services. We work on behalf of our supply clients (sellers) and buyers to procure commodities for world markets. We bring buyers and sellers together!

We are the **'GO TO'** company for supply and marketing of high quality food products and we deal with trading companies, importers and end user clients around the globe.
